CASUALTY LIST OF PANAMA FIGHT SHOWS ONE DEAD

Gen. Edwards Reports Police
Opened Fire on Unarmed
U. S. Soldiers

[Associated Press by Fed. Wireless.]
WASHINGTON, D. C., Feb. 16.—An official report from Brig. Gen. Clarence Edwards, commanding the troops in the canal zone, on the riots which took place in Panama on Saturday, contradicts the first telegraphed reports of the number of persons killed when the Panamanian police and the American soldiers clashed. Instead of there being eight deaths as a result of the street fighting, one person was killed, that being a police officer.

The affair was disastrous to the soldiers, however, in that of the number of wounded, 25 in all, 23 were soldiers, some of whom were seriously hurt.

The Americans were unarmed and were fired upon by the Panamanians after a general row between the soldiers and the police had been precipitated by a number of individual encounters between soldiers and police. The police, after the fight became general, shot down a number of the soldiers and then used their swords freely.

N. Y. CUSTOMS MEN MAKE BIG HAUL OF OPIUM

[A. P. by Fed. Wireless.]
NEW YORK, N. Y., Feb. 15.—Customs house inspectors yesterday arrested the steward and two members of the crew of the British steamer Frankmont, having discovered opium valued at \$15,000 on the ship and having seized letters which indicate an opium smuggling conspiracy that extends over the whole western hemisphere. The Frankmont recently arrived at this port from Portland, Oregon, where, apparently, the headquarters of the smuggling ring is located.

Tacoma and Vancouver are prominently mentioned in the letters, which also supply a number of names.

From the contents of one of the letters, the officers believe that opium valued at \$30,000 is aboard the Frankmont, concealed in her coal bunkers. The ship is being held for search and will be gone through thoroughly.

WOMEN IN VIENNA

VIENNA, Feb. 16.—Everybody does their duty for the endangered fatherland. The poor woman on her way to factory contributes her mite to the collection boxes. The rich women open their parlors, bedrooms and kitchens to the wounded officers and soldiers. Not only do the women of Austria, France, England, Germany suffer from war's depredations, but the women in America are everyday suffering from the many ills that women are heir to.

The diseases which weaken and torment women may in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, heals inflammation and ulceration, and cures women's weakness.

Every woman who has reason to believe that backache, headache, unnatural pains, low spirits, sleepless nights, irregularities or a catarrhal condition is caused by a derangement of the womanly functions, owes it to herself and dear ones to speedily overcome the trouble before a general breakdown causes permanent prostration.

Dr. Pierce's Favorite Prescription is a temperance remedy that any ailing woman can safely take because it is prepared from roots and herbs with glycerine containing tonic properties and is not a secret remedy because its ingredients are printed on wrapper.

Get Dr. Pierce's Favorite Prescription today, either in liquid or tablet form, at any dealer in medicines, if you want to better your physical condition surely and speedily. NEWSPAPER PLAY IS BIG FEATURE AT THE EMPIRE

Mathilde Baring, who has won laurels on the legitimate stage, has been assigned an important role in the thrilling story of the newspaper game told in the filmization of "A Sob Story." It will be a feature in an attractive program of photo-plays at the Empire theater today. There are a number of striking scenes in the drama. Two principal characters are seen in important parts.

Danes, editor of a city daily, divorced from his wife in former years, sees his mistake and would find the woman. His search is unsuccessful. Crandell, a reporter applying for a position, is told to bring in a story and submit it as a sample of his work. He meets the divorced wife of the editor, listens to her pathetic tale of woe, a family is united and Crandell gets the coveted position.

"Vengeance is Mine" makes a distinct hit as a late mainland release. The presentation will mark Bernard Martin's initial appearance in this city.

A fine cast has been selected in the offering "The Reformation." Another attraction for today will be the dramatization of "A Rough Diamond."

WEBB COMPANY GIVES FAREWELL SHOW OF SEASON

Under the auspices of Honolulu Lodge No. 616, B. P. O. E., George Webb and his All-Star company presented an excellent and much-varied bill to a good-sized audience at the Opera House last night. The house was well filled despite the inclement weather and the testimonial performance of the popular stock troupe was high-class and thoroughly enjoyed.

Webb and his players leave shortly for the mainland, and in a certain speech last night, he tentatively promised to return to Hawaii a year hence for another season.

Three powerful sketches of the tabloid character were given by Webb and his people, two being the strong-act acts from the best of the company's repertoire, "Within the Law" and "The Fight." The third was an entirely new sketch, but equally strong and really sensational, with a big moral which urges decent dress for decent women.

It was entitled "The New Chief of Police," a plot in which the cast consists of two men and two women: the chief of police; a society leader; her friend, a young society girl; and a sailor who has unwittingly insulted the society but on the street, mistaking her for one of the demimonde because of her flashy clothes and painted face.

Miss Florence Oakley appeared to particular advantage in "The Fight," showing her great strength as an actress in a part on which the entire success of the play depends; she was brilliant in it last night. Every member of the company entered into this sketch. The entire program moved forward smoothly.

Good specialties were given by the Filipino orchestra from the Young hotel, the two Aflague sisters, the Searle brothers in a wrestling exhibition, and the mouth-organ vaudeville performer who has been seen frequently at various local playhouses the last several weeks.

The Webb company go to Kona tonight to play the remainder of the week. They will return Sunday and visit friends until the Wilhelmina sails for San Francisco, February 24.

A spectacular demonstration was given by Lassen peak, which broke forth in what is perhaps the most violent eruption of the series that began last May.

ALPHIN COMPANY SCORES STRONG

The wise move of the Bijou and Alphin Musical Comedy Company managements in giving only one show nightly at the Bijou and supplying it with plenty of features proved itself worth while last night when the Alphins started the week with "Mile Chicken."

This show is a laugh-getter, and in addition it was featured by the chorus girls' contest, in which the baby dolls proved themselves adept at all sorts of novel stunts, including boxing, hitting a nail on the head—usually—sawing wood and, of course, singing and dancing in their characteristic lively fashion.

The audience last night liked "Mile Chicken" better than the opening show. The comedy is fast and furious and the fun is good-natured all the way through. Rose Mendel again showed her clever character work, this time taking the part of an American spinster.

Tonight there will be a special feature in the exhibition of various tango steps, many of which have never been seen here, by the girls of the chorus. The Alphin Company includes some unusually good dancers and they are, at their best, it is said, in the tango.

Newman Erb, president of the Ann Arbor Railroad Co., will soon leave on a week's inspection of the lines of the company.

CENTRAL ITALY AGAIN SHAKEN BY EARTHQUAKE

[Associated Press by Fed. Wireless.]
ROME, Italy, Feb. 16.—Renewed earthquake shocks brought renewed damage throughout Central Italy yesterday and created a reign of terror among the populace, whose nerves are yet unstrung from the great disaster of last month. The shocks were repeated and in some instances violent, shaking down many of the buildings rendered unstable by the last seismic disorder.

At Nazhano one person was killed and six were injured by the collapse of a house.

The helmy of the convent of Santa Maria at Rosa Salsabadi crashed down, the debris falling upon several houses, wrecking them and burying ten persons.

At Cittaducale the entire village is wrecked and the people, despite a torrential rain, are camping out in the open fields, afraid to take shelter under what roofs remain standing for fear that these too will come down.

Aime Totton, aged 15, of Winsted, was arrested charged with having robbed five cottages at Highland Lake. A part of the booty is said to have been found in his home.

SONOMA LOADS FOOD SUPPLIES FOR SAMOANS

[Associated Press by Fed. Wireless.]
SAN FRANCISCO, Cal., Feb. 16.—Eighty tons of foodstuffs for the population of the Samoan island of Manua, rendered destitute by the ravages of the recent hurricane and in danger of starvation, were yesterday loaded on the steamer Sonoma.

The provisions were purchased by the navy officials at Mare Island on orders from Washington.

The supplies consist mainly of biscuits, canned salmon, flour and other imperishable foodstuffs to the value of \$6000.
